IMPORTANT CONDITIONS:

- New members having a current, verifiable VSGA/USGA handicap index will begin the Tour with that index, which is consistent with the RVSGT handicap system. It will be part of your handicap until you have played your fourth tournament, after which, only your RVSGT tournament rounds will be used to compute your handicap.
- In the absence of a VSGA/USGA handicap index, a new member may provide the Tour information on their five most recent rounds from which your initial handicap will be established. A stroke control provision will apply for your first 4 rounds limiting your net score. See our website for specifics. If you fail to provide this information, you will play your first tournament with a "0" handicap.
- If you are unable to compete in a particular event, you must notify Tommy Firebaugh at least 5 days prior to the event. IMPORTANT - If you DO NOT participate in a tournament, you WILL NOT automatically be entered in the next tournament, and you must notify Tommy Firebaugh at least 5 days prior to get reinstated.
- In submitting this application, you agree to abide by the RVSGT & USGA Rules of Golf during tournament play. Failure to adhere to these rules may result in penalties, disqualification or suspension from the Roanoke Valley Senior Golf Tour.
